

# PRODUCT SPECIFICATION

## SANI-99™ 25 Sachet Multi-Pack

The SANI-99™ 25 Sachet Multipack includes 25 x 6g sachets, each designed to make 1 litre of high-performance, medical-grade disinfectant when mixed with water—providing a total of **25 litres** of powerful cleaning solution. Ideal for bulk use in professional, commercial, or household environments, this multipack is perfect for topping up your reusable "One Bottle for Life" sprayer or any standard 1L spray bottle. SANI-99™ is alcohol-free, chlorine-free, and fragrance-free—formulated to eliminate harmful pathogens while remaining safe for regular use around people, on surfaces, and in sensitive environments.
